

December 2005

Regatta season

Prime Boats will again be attending several regattas this season with spare parts and the ability to make minor repairs.

In January we will be at Taree, [NSW] (21st and 22nd); in February at regattas on the Barwon in Geelong [first two weekends] then the State Championships at Nagambie on the 18th and 19th .

In March we have the Head Of The Schoolgirls on the Barwon in Geelong followed by the Nationals at Lake Barrington (TAS).

For further details Click on Regatta Service on our website. Other regattas as the season goes on.

Transporting boats to Lake Barrington

We have a full load of boats for the Nationals in Tasmania in March.

Space will only become available in the event of a cancellation. We will be leaving immediately after the Head Of The Schoolgirls in Geelong (Sunday, March 5) to arrive at Lake Barrington on Monday, March 6.

TOM PRIME will be on hand for minor repairs and the sale of some spare parts. Telephone number during the Nationals: **0414 491200**.

Used boats

Some used boats have become available at very reasonable prices.

A couple are demo boats ... there's a Regulation 4 ... a lightweight women's scull and a racing quad.

Check out the details on our website: Click on Boats, then click Used Boats.

Price List

A full price list of all our boats, spare parts and trailers is now up on our website, which you can print off, in A4 format. [NOTE: You'll need Adobe Acrobat Reader in order to download it.] We also have hard copies available in booklet format. Phone, write or e-mail us for your copy.

At the end of another great year

In 2005 Prime Boats Australia successfully built many new boats, repaired a number of damaged ones and built and delivered boat trailers to clubs, schools and individuals in Victoria and interstate. It has been a busy, satisfying year.

We would like to take this opportunity to wish our customers and supporters a Merry Christmas and a safe and happy New Year.

A reminder that the factory will be closed over Christmas and the New Year, re-opening on Tuesday, **3 January 2006**.

We look forward to seeing many of you at regattas throughout the season. Good rowing!
