## Prime Boats Australia

### Non-Warranty

All equipment is built to minimum weight measurements for sporting and competition purposes. Therefore, no guarantee or warranty is offered. Should any problem occur with equipment within 60 [sixty] months of purchase, it should be returned to Prime Boats Australia where a free repair may be offered if the failure of the item is found to be due to faulty workmanship. A decision of free repair shall be the sole prerogative of the supplier.

### Freight/Insurance

The customer is responsible for all costs associated with packing, freight and insurance. Customers are responsible for obtaining insurance cover and paying the premium for such cover for the period that equipment leaves our premises and arrives at its destination.

### Storage, cartage and movement of equipment purchased or repaired

Prime Boats Australia and/or its employees and/or its agents will not be responsible for any loss or damage howsoever caused and wheresoever occasioned to new and secondhand equipment hereby sold or repaired (including but not limited to boats, and ancillary equipment manufactured or repaired) and any equipment used to transport the equipment (hereby previously defined) while the equipment is being transported to or from or being stored at premises used by Prime Boats Australia and/or its employees and/or its agents whether due to negligence, accidental damage or default by Prime Boats Australia and/or its employees and/or its agents.

This condition also applies to new and repaired equipment immediately upon leaving the premises used by Prime Boats Australia and/or its employees and/or its agents or if the new or repaired equipment is awaiting pickup by the customer or is being stored by Prime Boats Australia and/or its employees and/or its agents. Payment of all insurance premiums is the responsibility of the customer.

IT IS HEREBY expressly agreed that Prime Boats Australia and/or its employees and/or its agents will not be liable in any way whatsoever or accept responsibility for any loss damage injury or death wheresoever situate and howsoever occasioned arising directly or indirectly from the use or cartage or storage of the equipment hereby sold or repaired.
